

## *Certificate of Originality*

*Pen number #981 is a handcrafted original. The body of the pen is made from vintage stamps glued on the hand-turned wood barrel and custom fitted to the chrome and black metal components.*

*The pen uses a Parker © style ballpoint refill available at most office supply stores. To access the refill, unscrew the tip.*

*Remove the refill and spring. Attach the spring to the new refill and replace.*

*Hand-crafted pens by Gary Hughes*

*Pens are available at Treasure Hunt Antique Mall, Powder Springs, GA*
